Religious Education

This half term we are looking at: **How do people express their spiritual ideas through the arts?**

Today we are specifically looking at: **What spiritual expression can we see in examples of Christian art?**

Last week you were using water colours to create your own follow on painting from one that you'd seen on screen (pictures are on the next side). You were painting your picture in the same style as the artist.

This week, you will finish your painting and discuss the following questions:

What did the artist take from the Bible? Add to the Bible?

How does the painting make sense of the story?

What is the style of this painting?

What spiritual idea does the artist express?

What is this painter committed to? Jesus? Colour? The Bible? Pattern? Clarity? Depth?

How does the painter express ideas?

To think about: Imagine that you had all six paintings and you had to sell some of them to raise money, which would be the last one to sell, the most important one to keep?

Success criteria

I know and can suggest meanings for a range of forms of religious expression.

I understand the spiritual expression seen in examples of Christian art

I can present a picture I have drawn in a particular style and the story behind it.

Angel Gabriel appearing to Mary, telling her that she is going to have a baby.

Mary pregnant with Jesus

What do you notice?
What do you like?
What is going on?

Was there anything that you were unsure about by the end of the lesson today?

Jesus and his family fleeing from Bethlehem to Egypt

Jesus washing the feet of a disciple

The trial of Jesus

Jesus being crucified along with 2 other people

Please note there is no
computing lesson this week.
