

Tuesday 5th January 2021

Happy new year and welcome back!

I am so sorry that we are not seeing all of your lovely smiley faces but we are all doing our best to keep everyone safe and the best way to do that for now is for you to stay at home for a little while again.

Every day I will add home learning slides to tapestry for you to work through. Please don't moan at your parents for making you do work... we want you to continue learning from home for now and your parents are trying their best to help you, so be kind to them and get on with your work!

You may need an adult to help you to work through the slides for your home learning, they may need to read some things to you.

There are a few children who will be in school and we will be sending you messages so that we can all keep in touch. Every day you will need to register by 10am just like you do in school. I have sent a message on tapestry to all of you, please can you reply with a number 1-5 to show me how you are feeling- 5 tells me you are feeling great, 1 tells me you are feeling rubbish and you can use any numbers in between. If you want to send me any messages or to say hello to your friends I will be checking at 10am, so I can reply to any messages then.

You only need a pen and paper to get on with your work. You don't need to print the slides out unless you want to, you can copy work from the slides. If you need any paper or pencils please phone the office or message on tapestry and I will arrange for them to be in the office for you to collect. Please ask your parents to take photos of your work and put them onto tapestry, or save all of your work in a folder for when you come back to school. I am missing you already!

Santa has been in touch with me...

He would love to know if you liked your Christmas presents! Please can you write a letter to Santa, thanking him for your presents and telling him what you have enjoyed about them. You can add any details you would like to- he loves to hear what you got up to over Christmas and who you enjoyed spending time with.

Santa works very hard to make Christmas special for us, we need to make sure we say thank you! Make sure you do your best handwriting and use capital letters and full stops. I will make sure he gets all of your lovely letters!
