English - Owl Babies

This term we will be looking at the text Owl Babies and using this story for all our writing.

Please watch the link below and write a short sentence about your best (favourite) part of the book. Remember to use adjectives (describing words) to make your writing more interesting.

Maths - Fluent in five

0 0 0 0 0 0 0 0 0 0

1 1 1 1 1 1 1 1 1 1

$$5 + 2 =$$

$$+ 3 = 5$$

$$2 + 6 =$$

$$+ 4 = 6$$

$$5 + 1 =$$

Maths - 3D Shapes

Watch this link and then answer the questions below (first video)

<https://whiterosemaths.com/homelearning/year-1/week-10-geometry-shape>

Fluency questions -

Match the shape to its name.

Complete the sentences to describe the model.

There are _____ cuboids.

There are _____ cylinders.

There are _____ pyramids.

There are _____ cubes.

Circle the cubes. Tick the pyramids.

Maths - Reasoning and Problem Solving

If you used 3d shapes to build a tower which shapes would you use as a base and which would you use at the top? Can you explain why you would use these shapes?

The bottom of a 3-D shape is hidden.

What shape could it be?

Explain how you know.

Science - Animals

Can you attempt to answer these questions before we start our animal science topic and then we will look again at these questions at the end of the topic and see if our answers have changed.

Do animals find things funny?

Do tadpoles miss their mummies?

If you could add a body part from an animal to your body, what would it be?

POINTS TO PONDER

If a tiger was born without any stripes, would it still be a tiger?

Is it better to be a herbivore or a carnivore?

Do animals think their diets are disgusting??
