

John Randall  
Be Bold, Be Respectful, Be Safe

Our John Randall Learning Powers		
<b>Practice Panda</b>		<b><u>Purposeful Practice:</u></b> We practise. We persevere and by going over and over something, we help to make the knowledge stick!
<b>Resilient Rhino</b>		<b><u>Resilience:</u></b> We are resilient. We know we will be faced with challenges, but we can bounce back and develop a strong positive mindset. We can also help others to be resilient by supporting them.
<b>Memory Magpie</b>		<b><u>Memory:</u></b> We strengthen our memory by revisiting knowledge and asking questions to deepen our learning and understanding.
<b>Team Dolphin</b>		<b><u>Teamwork and Communication:</u></b> We know the power of working together and talking through ideas with one another. We learn best when we share ideas and listen carefully to others.
