On Thursday 4th March
it is World Book day.

Have you seen The Masked Singer television programme?

This has given us the idea to celebrate World Book Day by creating a Masked Reader competition in and out of school.

The idea is to make a simple mask, to hide your identity, and you to film yourself wearing that mask while reading an extract from your favourite book. Upload your video to Tapestry / Seesaw and see if your teacher and friends can identify you.

Here are some ideas to show you how you might make a simple mask.

Have fun and upload your videos as soon as you have made them ready for Thursday.
