

# YEAR 6 HOME LEARNING – 25.05.2020

## Using Different Lines to Create a Scene

Practice drawing different kinds of lines: hatching, cross hatching, squiggles, dots, little lines, different weighted lines, etc. Create a scene / image and determine which types of lines will appear where. The entire page should be covered with different types of lines and colours. Further ideas for this project will be posted on Seesaw!

Dear Parents and children,  
Although it is half term week, I thought I would post some challenges and projects to keep you interested and learning! I will also post to Seesaw too so please feel free to share any of the work you have completed from previous weeks or the challenges and projects from this week too.

I hope you enjoy the beautiful weather – remember your sun safety and online safety!

Stay safe.  
Kindest regards,  
Sarah Wust  
[sarah.wust@taw.org.uk](mailto:sarah.wust@taw.org.uk)

Make a sail boat challenge from Ms Mee of the STEM Workshop!  
<https://www.youtube.com/watch?v=ln67kavfKDC>

Or if you are up for a challenge. Try making a pulley system!

<https://www.youtube.com/watch?v=HW082leKIKU>

How does a shadow grow? Create your sundial!

1. Make your own sundial using a pencil or a stick and fix it on aboard on the ground.
2. Observe the sun position, measure the accurate time and date.
3. Draw the shadow of the stick and measure its length using a ruler.
4. Repeat this Step many times during the day.
5. Does the shadow change its length during the day? Why?

Lookout for Mr Hudson's PE challenge 4 on Seesaw this week!

Outdoor scavenger hunt – use the Seesaw template or note down in your home learning book.

COLLECT ALL OF THE FOLLOWING ITEMS IN A BAG OR BASKET. CHECK THE BOXES AS YOU FIND EACH ONE

- 5 LEAVES THAT LOOK DIFFERENT
- A STICK THAT IS LONGER THAN YOUR HAND
- A ROCK WITH SPOTS ON IT
- A FLOWER
- A FLAT ROCK
- 10 BLADES OF GRASS
- SOMETHING YOU LOVE TO PLAY WITH
- A PIECE OF TRASH YOU CAN RECYCLE
- SOMETHING THAT IS BROWN
- SOMETHING THAT IS HEAVY
- SOMETHING THAT IS VERY LIGHT
- SOMETHING THAT NEEDS SUN TO LIVE
- AN ITEM SMALLER THAN YOUR THUMB
- SOMETHING THAT STARTS WITH "M"
- SOMETHING THAT SMELLS GOOD

Random acts of kindness bingo  
How many can you tick this week?

Random Acts of Kindness			
Make a card for someone at home and tell them why you love them.	Do someone a favour without asking for anything in return.	Laugh ten times in one day.	Play or sit with someone from another class at lunch.
Pick up ten bits of rubbish on the ground and put them in the bin.	Write a kindness poem and share it with the class.	Ask someone at home how you can help them.	Write a letter to a friend and include three reasons why they are a good friend.
Cheer someone up by telling someone a joke.	Create a poster that encourages people to put their rubbish in the bin.	Say hi to someone at school who you don't know.	Give someone a genuine compliment.
Ask a friend or family member about their day.	Write down a compliment for someone and leave it somewhere for them to find.	Write down three things that make you proud of yourself.	Let someone go in front of you when standing in a line.

**Boggle**  
Find, and record, all the words you can. Remember, letters must be touching each other and you can only use the letters one time in a row. Eg, you cannot use the letters a,p,l,e to make apple.

Try a breakout challenge... can you break out of the locked room? Log on to Seesaw for the link or use the link below...

<https://platform.breakoutedu.com/game/play/it-s-a-symmetry-trap-78>

**Sudoku 6x6 - Easy**  
The aim of the game is to place the numbers 1 - 6 in each row, column and rectangle. Watch the video on Seesaw to learn how to play!

		6		3	
3	1	4		2	
		5	1	4	3
1	4	3	2		
	3		5	6	2
	6		3		

Enjoy a 9x9 challenge too!
