

John Randall Primary School

Accessibility Plan

This plan aims to improve access to all aspects of education within this school and remove any existing barriers to pupil learning. It also to widen the opportunities for pupils within the school and to look positively at ways in which existing difficulties can be overcome. In this way the Governing Body is showing its commitment both to the school members and wider community based on the promotion of self-respect and respect for others. The Plan looks at 3 areas:

Access to the curriculum

Access to the Physical Environment
